

**Courses Schedule of First Semester of Academic Year 2020/2021  
International Industrial Engineering Program for New Students  
Industrial Engineering Department - Universitas Atma Jaya Yogyakarta**

| Day       | Session | Online Room 9                                       | Online Room 10           | Online Room 11                 | Online Lab./Other room  |   |  |
|-----------|---------|---|--------------------------|--------------------------------|---|---|--|
| Monday    | I       |   |                          |                                |   |   |  |
|           | II      |   | Mathematics 1 (1)<br>IMK |                                |   |   |  |
|           | III     |   |                          |                                |   |   |  |
|           | IV      |   |                          |                                | <u>Solid Work Training<br/>(Manufacturing<br/>Technology<br/>Laboratory)(1) - APS</u> |   |  |
| Tuesday   | I       | Basic Physics and<br>Basic Physics Lab (1)<br>FEW   |                          |                                |   | Basic Physics and<br>Basic Physics Lab (1)<br>FEW |  |
|           | II      |   |                          |                                |   |   |  |
|           | III     |   |                          |                                |   |   |  |
|           | IV      |   | Pancasila (1) MPK        |                                |   |   |  |
| Wednesday | I       | Religion (1) MPK                                    |                          |                                |   |   |  |
|           | II      |   |                          |                                |   |   |  |
|           | III     |   |                          |                                |   |   |  |
|           | IV      |   |                          |                                |   |   |  |
| Thursday  | I       |   |                          | Engineering Drawing<br>(1) KAN |   |   |  |
|           | II      | Introduction to<br>Industrial<br>Engineering (1) YS |                          |                                |   |   |  |
|           | III     |   |                          |                                |   |   |  |
|           | IV      |   |                          |                                |   |   |  |

| <b>Day</b>    | <b>Session</b> | <b>Online Room 9</b>                                | <b>Online Room 10</b> | <b>Online Room 11</b> | <b>Online Lab./Other room</b> |  |  |
|---------------|----------------|---|-----------------------|-----------------------|-------------------------------|--|--|
| <b>Friday</b> | <b>I</b>       | Engineering Material<br>(1) AA                      |                       |                       |                               |  |  |
|               | <b>II</b>      | Introduction to<br>Business and<br>Economics (1) LH |                       |                       |                               |  |  |
|               | <b>III</b>     |   |                       |                       |                               |  |  |
|               | <b>IV</b>      |   |                       |                       |                               |  |  |
|               | <b>V</b>       |   |                       |                       |                               |  |  |
